Can I Change My Return Flight Date on American Airlines?

Yes—easily and often at no extra penalty. American Airlines treats round-trip bookings

as two separate one-way tickets, which means you can change just your return date without affecting your outbound flight.

This is one of the most common changes travelers make, and it's fully supported for most ticket types.

You can:

- Move your return earlier (e.g., come home after 3 days instead of 5)
- Move your return later (e.g., extend your vacation)
- Change your return city (e.g., fly into Paris, return from Rome)

To change your return date, call ✈️ ☎️ 1(888)_738_0817 and say: "I'd like to change only my return flight from [original date] to [new date]." The agent will reprice only that segment and apply any fare difference.

Example: Maria booked a Main Cabin ticket from Chicago to Miami. Her sister's baby shower was moved to a later weekend. She calls ✈️ ☎️ 1(888)_738_0817, changes her return by four days, and pays \$35 extra—no change fee.

American Airlines Change Flight Fee: What You'll Actually Pay

Main Cabin or higher \$0 \$0 (for tickets issued after Mar 1, 2022)

Basic Economy Not allowed*

Not allowed*

Same-day domestic confirmed

\$75 Not available

* Basic Economy can only use free same-day standby to the same destination.

Fare difference = Current price of new flight – Original price paid.

The only time you'll face a true change fee is if your international ticket was issued before March 2022 (\$75–\$400, depending on region).

Can I Change an American Airlines Basic Economy Ticket?

To a new date? No.

On your travel day? Yes—via free standby.

Basic Economy is American Airlines 's most restricted fare. You cannot change your flight to a different day after the 24-hour cancellation window.

However, you can:

- Cancel within 24 hours (if booked 7+ days before departure) for a full refund
- Use free same-day standby to switch to an earlier or later flight on the same day

If you need true flexibility, upgrade to Main Cabin. Agents at ✈️📞1(888)_738_0817 can often do this for \$50–\$150, which includes a free carry-on bag and seat selection—making it well worth the cost for many travelers.
